Controlled Remote Viewing (CRV) is a methodology designed to open a doorway to the subconscious mind, allowing intuitive information to flow easily. Developed by Stanford Research Institute and utilized by the U.S. military for 20 years, CRV allows the viewer to separate true psychic perceptions from the imagination and pollution that often hinders intuitive processes. *This course is taught by Lori Williams, Executive Director of Intuitive Specialists. Since 2001, Lori has trained over 600 students from the U.S., Canada, Ireland, Japan, Australia, China, Mexico, and all over Europe. Trained for 14 years under the tutelage of Lyn Buchanan, (author of **The Seventh Sense** and a military instructor of CRV for many years) Lori is a professional remote viewer in her own right, known both nationally and internationally for her high degree of accuracy and amazing detail.*

CRV Instructor - Lori Williams

Intuitive Specialists uses only the best curriculum available today. The Intuitive Specialists' curriculum is the most comprehensive and user-friendly, allowing the student to gain a full understanding of the process. The courses are kept very small (4 to 14 students) to ensure a high level of one-on-one instruction. It is our goal at Intuitive Specialists to ensure that our students receive the best CRV education available anywhere!
